

This Holiday Season Don't Shop Sobeys

**Don't shop at Sobeys
or its subsidiaries**

(Farm Boy, Foodland, FreshCo,
IGA, Safeway & Thrifty Foods)
**this holiday season until
they offer workers a fair
wage. 5 cents above min.
wage is not enough!**

Sobeys' Pete's Frootique workers are out in the cold in Halifax this holiday season because Sobeys has only offered most workers a **5-cent** raise above minimum wage.

That's not even enough to buy groceries, never mind Christmas presents. Nearly 100 workers have been on strike since November 18. You can help! Visit our **TAKE ACTION** page.
